

Marsh Papers

Kenneth Frederick Marsh and his wife Blanche collaborated to produce a number of books about different regions in the south. These include *Historic Flat Rock, Where the Old South Lingers*, *Plantation Heritage in Upcountry South Carolina*, *Athens, Georgia*, *Columned City*, *The New South*, *Greenville, South Carolina* and *Colonial Bath, North Carolina's Oldest Town*. Blanche Marsh wrote the text and Kenneth Marsh took amazing images of the areas selected for research. In 1966, the Marshes began work on *Charlotte Carolina's Queen City*.

This collection contains the correspondence between a number of individuals who provided documentation and financial support for the book. The correspondence was from and to Charlotte's most prominent citizens, including George M. Ivey, John Belk, W.T. Harris, Stan Brookshire and Harold C. Dwelle.
